

Synchronized Skating Program Director and Head Coach Positions

The Cleveland Edges Skating Club is seeking a Synchronized Skating Program Director and Head Coach to begin immediately. The roles may be filled by multiple people. To be eligible for consideration for either role, the candidate should have an enthusiasm and love for synchronized skating, good sportsmanship, and a strong work ethic. Additionally, they should be organized, detail oriented, able to collaborate with others, and have experience communicating with athletes, parents, and other interested parties.

The duties and specific qualifications of each role are as follows:

Program Director

- Able to develop long-term goals for the organization and a strategic plan to reach them.
- Oversee tryouts and determine competitive teams fielded.
- Identify, recommend, and schedule competitions for each team.
- Oversee and approve each team's competitive "plan", including choreography, music, and costumes.
- Develop and implement a parent education program.
- Lead the development and implementation of team policies, rules, and contracts.
- Assist with implementing a program for recruiting and training new skaters.
- Develop a retention plan for the current athletes.
- Assist with the development of team budgets.

Head Coach Role

- Must meet the U.S. Figure Skating coach compliance requirements.
- Prior experience coaching at both IJS and 6.0 levels. A minimum of 5-7 years of experience is preferred.
- Experience building a complete competitive program for their team.
- Possess an in-depth understanding of synchronized and of U.S. Figure Skating.
- A working knowledge of basic nutrition.
- Willingness to continue their own coaching education.
- Able to work with athletes in a wide range of ages. Generally, ages 4-18

Interested candidates, please send your resume and cover letter to Mike Powers at vicepresident@clevelandedges.com.
